

### How do I register, and what ticket options are available?

Registration opens at **11 a.m. EST on February 3** through Eventbrite. The registration link will be:

- Sent via email to those signed up for updates
- Posted on our social media channels
- Available on our website

### Ticket options include:

- *1st Attendee: \$145\** — Secures a campsite (campsite cost not included). This ticket includes access to all uCamp events and meals throughout the week.
- *Additional Attendee: \$145\** — Required for each additional guest staying with another camper. This ticket includes access to all uCamp events and meals throughout the week.
- *Dog Admission: \$10\** — Entry for one dog and includes a small nuCamp gift for your pet. Service dogs are free of charge. Please note your service animal in the accommodations section during registration.

\*Taxes and Eventbrite fees not included.

### What if all sites are claimed?

If registration sells out, we will open a **waitlist**. If you don't make it in right away, don't worry — historically, we've moved through a significant portion of the waitlist due to cancellations.

### What is the cancellation policy?

You may cancel your uCamp entry ticket for a **full refund up to 30 days prior to the event (July 6)**. After that date, entry tickets are non-refundable. Atwood Lake Park has a separate cancellation policy and may offer partial refunds for campsites.

### How do I book my campsite?

After registration closes, we will provide Atwood Lake Park with the list of registered attendees. Atwood Lake Park staff will then contact you directly to book your campsite and collect payment.

Atwood Lake Park offers four campsite options. All sites include a designated parking space, fire ring, and picnic table.

- Electric Only (Non-Waterfront) — \$292\*
- Electric Only (Waterfront) — \$352\*
- Full Hookups (Non-Waterfront) — \$406\*
- Full Hookups (Waterfront) — \$514\*

The prices listed reflect a **six-night stay**, which is the recommended length to fully enjoy uCamp. This includes:

- **Check-in:** 4 p.m. on Sunday, August 2
- **Check-out:** 2 p.m. on Saturday, August 8

You are not required to book all six nights; however, a **four-night minimum stay is required**.

*\*Final pricing is set by Atwood and may vary*

Please do not call Atwood Lake Park to reserve a site. We kindly ask that you wait for them to reach out to you.

### **What events or activities will happen at uCamp?**

uCamp features a full week of activities, including:

- Informational and educational sessions
- Group dinners
- Fun social events like bingo and a cornhole tournament

An initial event schedule will be shared before Atwood begins making calls to book campsites. Additional details will be released closer to the rally.

### **What amenities are available at Atwood Lake Park?**

Atwood Lake Park offers a wide range of amenities to enhance your uCamp experience, including:

- Campsites with a picnic table and campfire ring
- Designated parking at each campsite
- Swimming beach with concession stand
- Picnic shelters
- Activity Center and Nature Center
- Hiking trails
- Free Wi-Fi at the Activity Center
- Laundry facilities and camp store
- Public restrooms and shower houses
- Two on-site restaurants
- Public boat launch ramps
- Dog park

### **Can I choose my campsite? Is there a map?**

Yes! You may either select your own campsite or have one assigned to you by Atwood Lake Park.

Before Atwood calls to book campsites, we will provide attendees with a campground map to help with planning. When Atwood contacts you to book your site, simply let them know your preference.

Please remember: do not contact Atwood Lake Park to book your site in advance.

### **What are the campsites like?**

**Area H:** The largest section with 142 full hookup sites, concrete pads, electric (50-amp, 30-amp, and 110v power), and parking. Includes lakefront views, a playground, restrooms, showers, laundry, and a pavilion with a fire pit. The trees here are small and do not provide shade, with some larger trees on the edges.

**Areas B & C / A & G:** Full hookups (50-amp, 30-amp, and 110v power) with concrete pads, restrooms, and showers. Minimal shade, with some larger trees on the edges.

**Area F:** 30-amp electric-only sites on grass or gravel. Includes a shower house, restrooms, and a dump station. Some trees provide shade.

**Areas E & D:** 30-amp electric-only sites on grass or gravel. No on-site restrooms or showers, but facilities are available in nearby Area B. Some trees provide shade. Dump station is nearby at the start of the F Loop.

### **Are pets allowed at uCamp?**

Yes — pets are welcome at uCamp! When purchasing your ticket, you may add a dog admission for \$10 (+ taxes and fees). Upon arrival, your pup will receive a special nuCamp gift.

By purchasing a dog admission, you agree to our [pet policy](#), which outlines guidelines to ensure a safe and enjoyable experience for all campers. Please be respectful of others, including those who may not be dog-friendly.

Service dogs are exempt from the admission fee. Please note this in the accommodations section during registration.

### **Is food provided?**

Yes! Several meals are included during uCamp. While the final menu is still being planned, meals typically include:

- Two group dinners
- One hot breakfast
- Light breakfasts and coffee on other days (excluding Monday)

The event schedule will clearly indicate which meals are provided so you can plan accordingly.

**I have allergies or dietary restrictions. Can I still participate?**

Yes. During online registration, you will be asked to note any allergies or dietary needs, such as vegetarian, vegan, or gluten-free preferences.

We do our best to accommodate these requests; however, we cannot guarantee that all meals will meet specific dietary requirements. If you have severe allergies or strict dietary needs, we recommend bringing additional food options as a precaution.

**Can I transfer my ticket to someone else if I cancel?**

No, uCamp tickets are non-transferable.
